Valiant equipment prices 72

Prices are manufacturer's suggested retail prices as of September 23, 1969, and include provisions for Federal excise taxes and dealer new-car preparation charges, but exclude state and local taxes, if any, and destination charges.

The foregoing manufacturer's suggested retail prices are supplied merely as trade information. Dealers are not required or expected to follow all or any such prices, it being expressly understood that dealers are absolutely unrestricted in such respects.

All prices, specifications and equipment are subject to change without notice or obligation.
